NARRATIVE:

Ricardo Romero is a documented gang member and has an extensive adult criminal history that began at the age of 20. His convictions include assault, attempted robbery, possession of a concealable firearm, battery, destroying evidence, contempt of court, multiple cases of using of PCP, resisting a peace officer, possession of burglary tools, multiple cases of possession of controlled substances with priors and false identification to a peace officer. He has served multiple state prison terms, the longest being a 4 year term for attempted robbery. Romero was released from state prison to the supervision of the Los Angeles County Probation Department on September 11, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2016 after he absconded from post release community supervision (PRCS). Romero qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a concealable firearm is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
